Important Note to Driver

The examiner has used the following code to score your driving test:

- (OK) Means manoeuvre was satisfactory.
- (✓) Means some improvement necessary.
- (✕) Means lack of skill, knowledge or judgment.
- (R) Means an unsafe action at a R.R. crossing.
- (//) Means this manoeuvre not performed.

Items that have been scored more than once require your special attention. These items may indicate an incorrect driving habit or improper understanding of the correct method.

IF PASSED

Study the items scored on the reverse side. Any one of these errors could involve you in a collision. In your own interest, we strongly advise you to correct any faults and become a safer driver.

IF YOU DID NOT PASS

It may have been for any one of the following reasons:

1. Preventable Collision
2. Dangerous Action
3. Traffic Law Violation
4. Inadequate Skill To Complete Test
5. Too many driving errors

This last reason may be due to lack of driving skills or knowledge, errors in judgment, or unsafe driving habits.

Your road test appointment will be placed out-of-order if, but not limited to, one of the following items is detected:
